

CYCLE ENFIELD SPECIAL EDITION

LOCAL SHOPS HIT BY A105 CYCLE LANE CHAOS!

Shops are being severely hit by the disruption caused by the Labour Council's Cycle Enfield scheme. Traffic congestion and difficulties over parking have made customers think again about using our local shops on Green Lanes and Ridge Avenue.

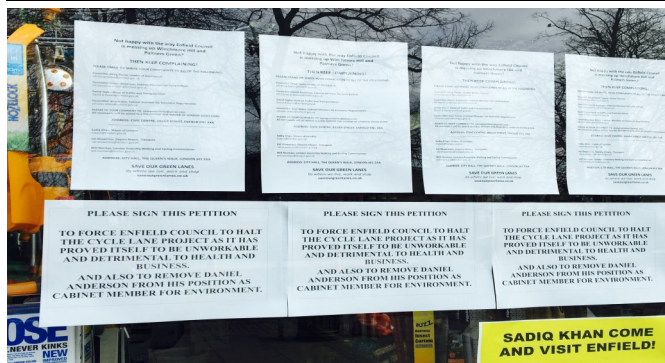

Shop owners are reporting a 30% drop in earnings due to the reduction in customers choosing to use their stores. They are rightly laying the blame for this firmly at the door of Enfield Council and its Cycle Enfield scheme.

When the consultation was conducted, the impact on the high street was raised along with traffic congestion but the Council chose to ignore these concerns. Residents and business owners are now paying the price for the Council's failure to listen.

The Labour Council should have respected the referendum by David Burrowes MP and scrapped the scheme. Cllr. Terry Neville, Leader of Enfield Conservatives, commented : "if we win the local elections in May 2018, the Conservatives will stop any further cycle lane building in the Borough pending a thorough review examining the impact on other road users of those lanes already installed."
